

**Virtual Celebrating Connections  
2021**

**Graduate Credit Activity for CISP-562-331**

**The Celebrating Connections graduate credit assignment must be postmarked  
and or emailed by  
May 25, 2021**

**Each individual seeking graduate credit for the conference is Required to attend 3 full days of Celebrating Connections and is Required to submit an impact project with a detailed information for implementation, regarding a new technique, instructional strategy, assistive technology equipment, and or concept obtained and used from the conference.** The assignment must include what session it is from, what you implemented, how did it work, what changes if any were made, and the impact to children and families. This project can be emailed to me at [Vhuffman@k12.wv.us](mailto:Vhuffman@k12.wv.us) by May 25<sup>st</sup>. You can also include photos and or other documentation regarding the performance and implementation of the assignment.

1. What conference session(s) did you obtain the information for your impact activity?
2. What impact project, strategy, technique, assistive technology equipment did you implement in your work, virtually and or classroom?
3. Explain how you incorporated and or used the information in your learning environment, intervention setting, training, classroom and or your work?
4. How did this impact your work with families and children?
5. Did you make changes to the project, strategy and or technique to help make it more successful? If so, please explain.
6. What were the impacts of remote and or distance learning this year? What is one thing that you did to student success for virtual learning this year?
